Report of the certificate course:

In this Certificate Course on "Banking and Insurance" lecture delivered by Prof. B F Gamanagatti, From 05/01/2021 to 25/01/21 and in this 15 days about 40 hours of this course work, were 55 students participated. On completion of the course, students got understanding of the rudimentary aspects of Banking and Insurance, could able to engage with one of the fastest growing sectors of the economy, kindle interest towards a deeper understanding of Banking and Insurance, enable them on skill enhancement, able to explore various job opportunities. Banking and Insurance are two sectors which are fast evolving and witnessing a transformational change. Banks are the backbone of all activities, because every transaction where money is involved, the bank is the main character. Insurance business is one of the prominent financial services in modern times. Keeping these aspects in mind, this Course in Fundamentals in Banking and Insurance has been designed to train students in basic concepts of Banking and Insurance. The Course has incorporated the significant changes that have taken place in the global financial architecture and the new products and technology that have invaded this sector. This course has made an attempt to offer to students a fundamental tool which will enhance their understanding of various businesses in the world economy. In this course totally focused on topics like Introduction to Banking and Insurance, Deposit Accounts, Lending Principles and Negotiable Instruments, Technology in Banks, Introduction to Insurance, Insurance in the Contemporary Context
