Report of Department of Commerce on " One day visit to "Karnataka Milk Federation [KMF]" Dharwad to study the process of production and also to see the packing & dispatching procedure, which is a subject related to B.com VIth semester students.

On 18-02-2018 Prof. MS Muragodmath, and Prof. S R Yemmi took 45 students to Dharwad KMF at 10:30 am. First we met the KMF authority & requested to show the entire process of milk dumping from vehicles and also packing & dispatching process. One of the office staff by name shri. Shivayogi Hiremath was told to take care of the students & staff. He provided one glass of milk to each one of us and started explaining the entire procedure of the organization. He thoroughly shown us dumping of milk and also the process of packing & dispatching the milk. One student kumari Deepa Kutri requested to explain about the different types of products available in the industry , and then he took all the students to show room and explained. All students were happy to see whole process and they enjoyed a lot in the premises. We all were there till 1-30 pm. One of our students Kumar Dayanand Kalakatti gave vote of thanks to KMF authorities and we left office at 1:45 pm & had lunch outside.

This visit to KMF helped the students to gain adequate knowledge about process of packing & dispatching the milk packets. This visit was very interesting and inspiring to students and gave good feedback.
