REPORT ON THE DELIBERATION OF THE PRELUDE SEMINAR

The IIPA Local Branch, Dharwad in collaboration with Good News Welfare Society's First Grade College, Govt. First Grade College, Kalghatgi District Dharwad organized a prelude seminar on *Good Governance and UN Sustainable Development Goals* on 5th October, 2019. This event was commenced with melodious prayer by college students. Dr. A. R. Jagatap, Secretary, IIPA Local Branch, Dharwad introduced the guests. He welcomed the guests, resource persons and students. For the inaugural function, Prof. A.S. Shiralashetti, Acting Vice-Chancellor, Karnatak University, Dharwad as the chief guest inaugurating the seminar, spoke about the unemployment, no hunger, health and climate action issues and how to resolve the issues. Focusing India and developing countries it is difficult to earn 9 dollars a day in India whereas in Western countries they could earn easily about 5-6 dollars per hour. Prof. S.S. Patagundi, ICSSR Senior Fellow, Former Registrar, Rani Channamma University, Belgavi and Chairman IIPA Local Branch, Dharwad Chairing the inaugural function spoke about the theme of the prelude seminar. He viewed that environmental problems confronting the world tended to think of sustainability of development issues considering the needs of future generation. He outlined the origin and developments of environment problems since the 1972 Stockholm conference. Role of global governance needs to be strengthened with consensus to achieve 17 UN sustainable goals. Rev. Bro. Niju Thomas managing Vice Chairman of the Management of Good News First Grade College, Kalghatgi graced the occasion. Dr. Basavarajeshwara Patil, Convener of the Prelude Seminar, Govt. First Grade College, Kalghatgi proposed a vote of thanks.

Dr. B.H. Nagoor, Professor of Economics and Prof. S.T. Bagalkoti, Senior Professor of Economics, Karnatak University, Dharwad were resource persons for technical session. Dr. B.H. Nagoor spoke about need of new public policy for ensuring economic development and explained about economic reforms introduced in the 1990s. Social and political consensus is imperative for bringing the drastic changes in Indian economy to ensure the achievement of SDGs (Sustainable Development Goals). Professor S. T. Bagalkoti spoke about how SDG's are to be achieved focusing on eradication of poverty & hunger and issues of climate change based on statistical data. He held the view that more taxes are to be imposed on the rich and working together is necessary to achieve the UN SDGs. Students interacted with the experts of the seminar.

Dr. S.S. Patagundi in the valedictory function summed up key issues of the UN SDGs and argued that over ambitious nature of man tends over exploitation of resources. This becomes problem because resources are limited. In view of this global governance needs to evolve a mechanism for preventing over exploitation of resources so that environmental hazardous effects can be prevented. Shri G.C. Gumagolmath, Principal, Govt. First Grade College, Kalghatgi. Chairing the valedictory function summed up issues raised during the technical session. Shri Gumagolmath held the view that efficiency and honesty are imperative for achieving the sustainable goals and survival of society and next generation in future.
